**LIVINGSTON PARISH PUBLIC SCHOOLS
CREDIT RECOVERY
SUMMER 2022 REGISTRATION**

FORM A

This registration form must be completed providing all information requested. Student and parent/guardian signatures indicate that both have read and understand the information in the attached packet. It is the parent/guardian's responsibility to ensure that his or her student has not earned credit in the courses listed below and that the student is not scheduled in the same subject this school session. **Credit cannot be earned twice for the same subject.** Students will be enrolled on a first come, first serve basis. A minimum of 12 students must participate in the program to offer it at a particular location. After registration closes, if we are unable to provide a teacher at the location you've requested, we will call and email you for approval of an alternate location.

Present this form to the guidance counselor at your school when registering for credit recovery.

\$175.00 - One session (½ credit for high school students)

\$325.00 - Two sessions (Total of 1 credit for high school students)

All fees must be paid in advance at registration. The school site will determine their acceptable payment methods.

Refunds:

There will be **no refunds** to students who drop after June 1st or to students who are expelled from summer virtual school program due to failure to conform to rules of conduct.

Exceptions:

1. A course cannot be offered due to lack of enrollment or availability of a teacher.
2. Illness or injury prevents a student from beginning the program.
3. A physician's statement documenting that the student will not be able to complete the summer session. In this case, the \$25.00 application fee will not be refunded, and there will be a \$25.00 per course per day charge for each day of enrollment.

Summer Session Rules and Regulations:

1. Daily attendance and completion of assignments in each class is critical. The teacher will only be available during school hours of 8-3 each day to answer questions through email. There are only 7 days of class per session and the last day will be reserved for the final exam. Therefore, students will have to complete 15-20% of the course per day in order to finish it within the allotted time.
2. Students must have transportation to the school site and have the ability to get there each day.
3. A student must pass a proficiency exam at the end of the course to receive credit. Your grade for the class will be determined from the work and tests completed during the course of the class, BUT if you **do not pass the proficiency exam** even if your grade is an A, you **will not pass the course**.
4. When reporting to the school site, students are expected to conform to the same rules of conduct and dress code that are in effect during the regular school session.
5. Summer Credit Recovery is an additional effort on the part of the school district to provide students the opportunity to make up deficiencies in required courses. Students who fail to conform in an appropriate manner with school rules will be immediately expelled and will lose their fees. Summer credit recovery grades, passing or otherwise, will become a permanent part of the student's school records/transcript.
