

Our Lady of the Lake Volunteer Services

Summer Ambassador Program

The Summer Ambassador Program is an opportunity for high school students to learn more about the healthcare industry from a unique perspective, and to participate in its daily activities. Students also experience the personal fulfillment that volunteer work can bring. Your time at the hospital will be productive and your efforts will enhance the activities of our team members. Our volunteers further the hospital's mission of meeting the health needs of all God's people with compassion, understanding, respect and dignity. While participating in the program, you will:

- Experience supporting patients, caregivers and staff on inpatient care units
- Attend Wednesday workshops and tours with medical professionals and leadership staff
- Gain exposure to professionals administering patient care in a premier hospital
- Provide service to the community
- Interact with patients and hospital staff

Eligibility:

- Students age 15-17 (18 if still attending high school)
- Interest in pursuing a career in healthcare
- Possess a professional and positive attitude
- Willingness to interact with patients
- Be able to commit to a five week program, June 1 – 30, 2022
- Basic computer skills
